MISCELLANEOUS

We, the members of the Student Council representing the Student Body of Sudan High School, wish to dedicate the "56 HORNET" to Don (Buckwheat) Whitmire, who lost his life in an automobile accident on November 25, 1955.

Buckwheat was graduated from Sudan High in 1951 and was one of the most popular boys in school. He was elected "Most Handsome" his senior year. Buckwheat was an outstanding player in both football and basketball.

At the time of his death he was a member of the United States Air Force and was stationed at McConnell Air Force Base, Wichita, Kansas. He shall always be remembered for his good sportsmanship and citizenship.

Foreword

The Hornet Staff wishes to express its sincere appreciation to the teachers and students of Sudan High for helping make the 1956 Hornet a success.

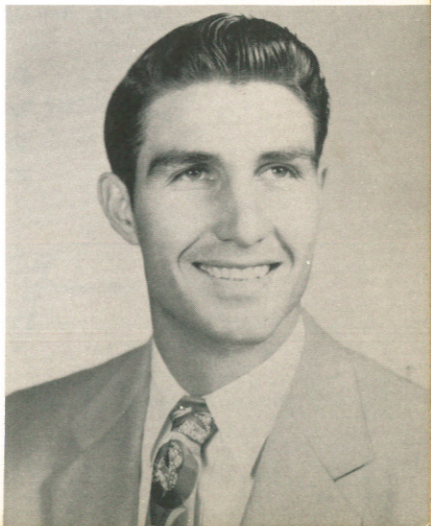

It is our sincere hope that the 1956 Hornet reflects the standard that each of you can appreciate. We hope that you will take and cherish the Hornet for years to come and keep it for memories that you will not forget.

ODELL WILKES
Advisor

To All Hornets:

This book exemplifies many hours of work and fun for those who labored. They have tried to make this as a mirror reflecting the lives of each student.

As you look at this mirror, how do you see yourself? What have you done to make S. H. S. a better school? Has your contribution been something worth while? Has your attitude been that which shows the true spirit of your school?

Last but not least, what goals have you set for yourself? Does your education mean something to you? James Russell Lowell once said: "The better part of everyman's education is that which he gives himself." I hope that each of you find this true.

Sincerely,

Odell Wilkes

To the 1956 Hornet Staff: It is with all sincerity and a feeling of pride in you that I wish to congratulate you, the Hornet Staff, for the magnificent work and outstanding interest that you have displayed in presenting to us one of the most excellent editions of the Hornet.

To the Students and Faculty I wish to express my wholehearted thanks and appreciation for your splendid loyalty and cooperation which has made this 1955-56 school year a most profitable one.

In conclusion I wish to leave this thought with you. What a wonderful place this world would be if God could find in you and me a touch of perfection in all that we do, whether the task be just routine or a new one.

My sincere wish for the students of Sudan High is that they strive for that perfection.

Sincerely,

C. O. Gregory
