

Alma Mater

Oh, Sudan High,
We give to you our praise;
Our goal to be
Add honor to your name.
If we win or lose,
We will ever choose,
And our motto we'll proclaim.
For the Black and Gold
May our strength unfold,
And truth shall be
Our highest aim.
Through work or play
We pledge this day
Forever stand behind
The Black and Gold;
Forever stand behind
The Black and Gold.

Sudan Zoolan'

Does it seem odd to see these familiar faces of S.H.S. behind the bars of a zoo cage? It really shouldn't, you know. People are more like animals than they think. With this in mind, the annual staff decided to use animals in the '64 HORNET to highlight some of the amusing characteristics found among the "Denizens of Sudan Zoolan'."

As the pictures indicate, the animal - oops, annual - staff went "wild" in the production of your yearbook. The photos also depict the enjoyment that we had in creating for you a zoo for all of our animal characteristics. Hoping that you get as much pleasure from it, we present to you the '64 Hornet.

Dedication

TO MRS. VIOLA MAY

A teacher in Sudan Schools for seventeen years, during a period from 1942 until her death in 1963 . . .

A versatile teacher, she taught in high school (home economics and mathematics), junior high, and the elementary grades . . .

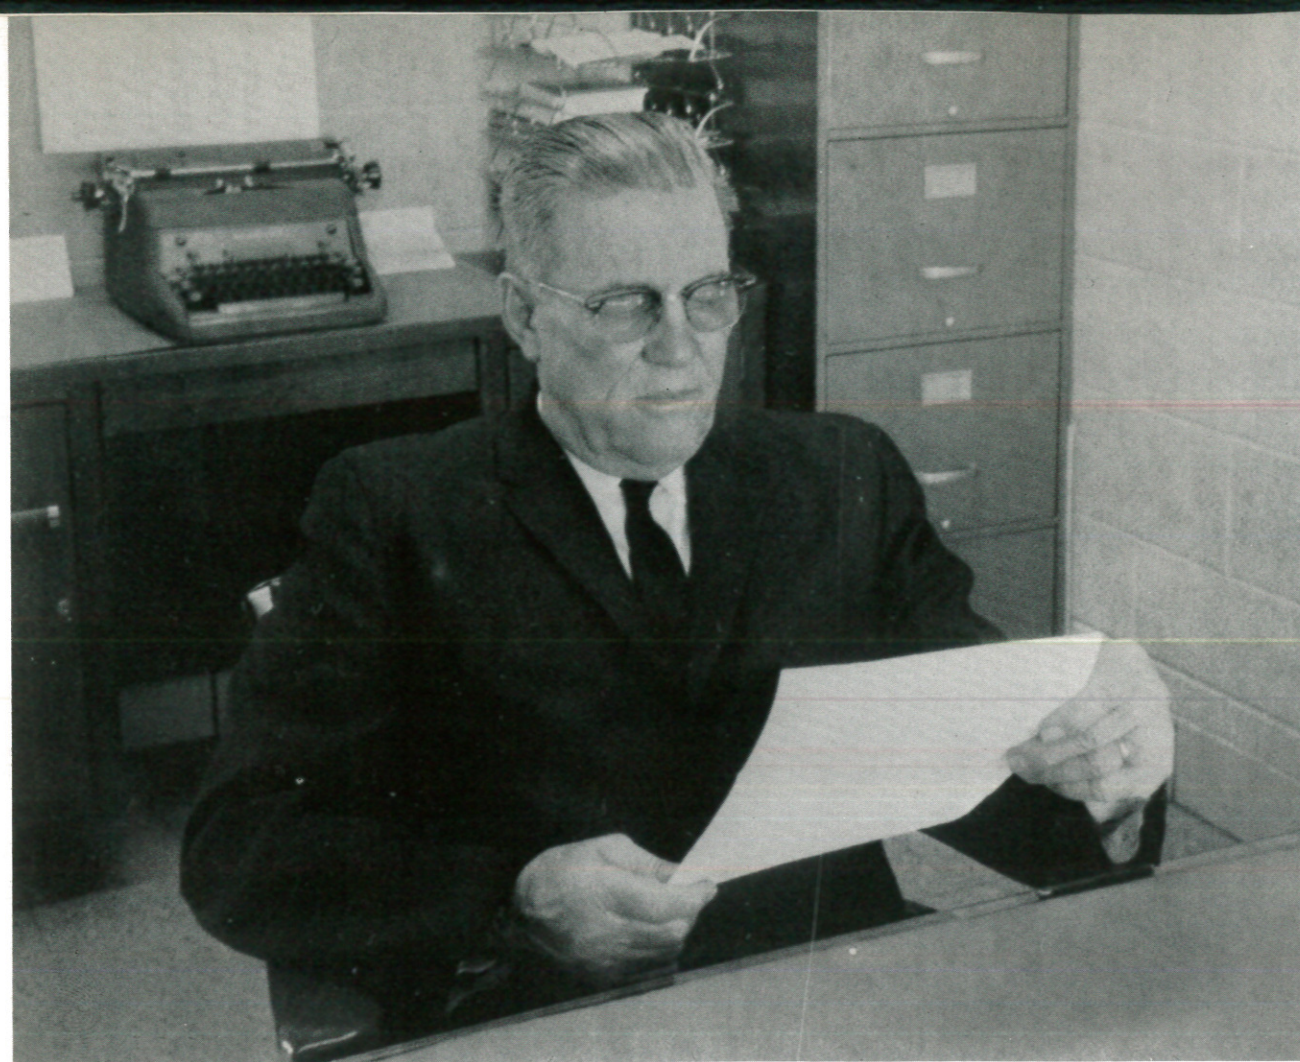

A teacher who used her influence wisely, to develop her students' minds and characters . . .

Although Mrs. May is no longer with us, her influence will continue to work in the lives of her former students who reside here and elsewhere. The mark she has left on this community is the mark of a good teacher and a good citizen.

Administration

"What do you mean, you overslept?"

Dear Students:

To a few students, school is an unhappy experience. To the big majority, it is a very happy experience. To all, it is a worthwhile experience.

This annual will serve as a record of your experiences for the 1963-64 school year. In future years you will cherish the annual more and more.

As your superintendent, I hope for each of you a profitable school year. May your future bring nothing but happiness and prosperity.

Sincerely,

W. E. Hancock
Superintendent

Students:

It is very difficult for us to understand just what the world and society expect from us. We do know that we must prepare for the future because the rest of our lives will be spent in it.

To do the best that we are capable of doing should be our goal. Making high grades is good; but to be high grade is better, and only by being high grade can we satisfy our society's expectation of us.

Sincerely yours,

Ralph W. Stewart
High School Principal

Students:

It is a pleasure for me to write a message in this yearbook and to wish each of you a long, useful life. It is my sincere desire always to be able to help each student that I can in our schools.

As this year closes, I hope that each of you can say that it has been a profitable year for you, and that you are a better person because of your endeavors and associations in your school.

Sincerely,

B. M. Wilson

Kathy--Say, you baby-faced looking baboon . . .

D. W. --What are you trying to do-- make a monkey out of me?

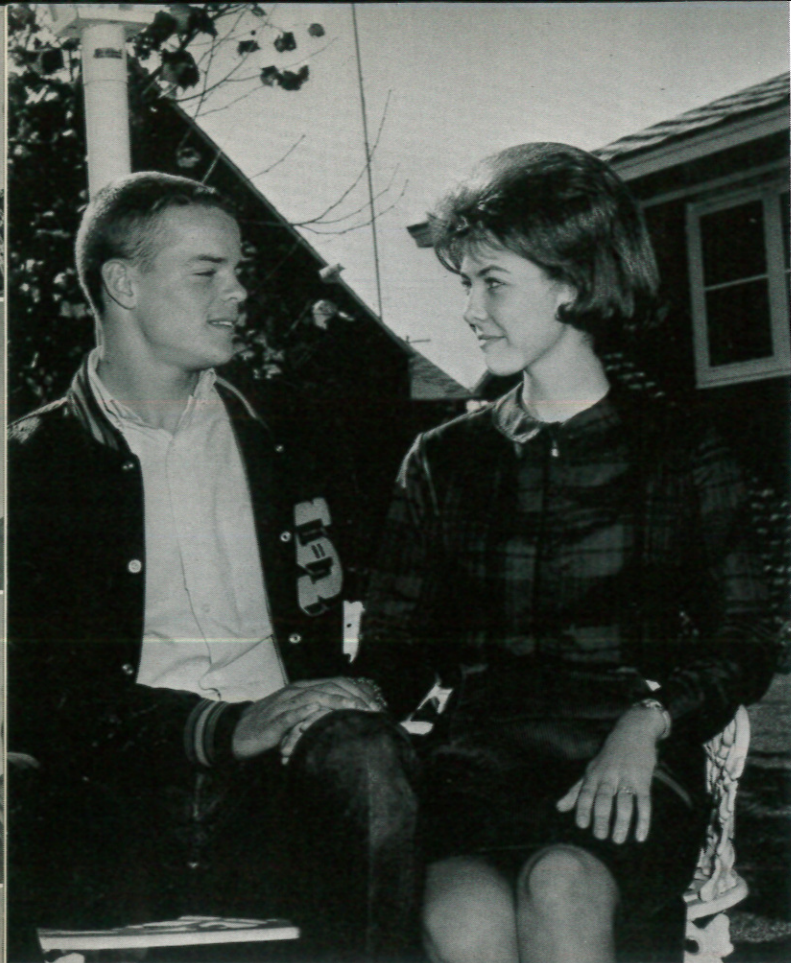

Kathy--Why should I take all of the credit!

More fun than a barrel of monkeys are Kathy Barnett and D. W. Muller who were elected Wittiest.

Even though Rue Jean Hancock and Mike Fisher do a lot of horsing around, they must have some horse sense-- they were voted Most Intellectual of 1964.

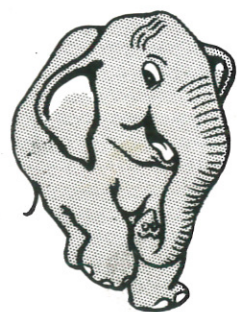

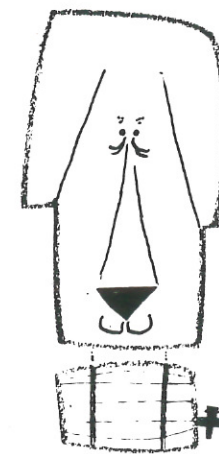

Cheerleader . . . Football hero . . .
Dimples . . . Shyness . . . All of these
make up the Cutest Couple of S.H.S.,
Donna Parrish and Danny Masten.

These puppies may be friendly but
Linda Williams and Robert Williamson
outdid them in the voting at S.H.S.
for Friendliest.

Mirror, mirror, on the wall,
Who wears the cutest smile of all?
Pat Brownd and Kandy Miller wear the
cutest smiles in the S.H.S. halls.

Mike Fisher and Linda Williams may
not be helping each other much in
this situation, but the students of
S.H.S. considered them the Most
Courteous in the Sudan halls.

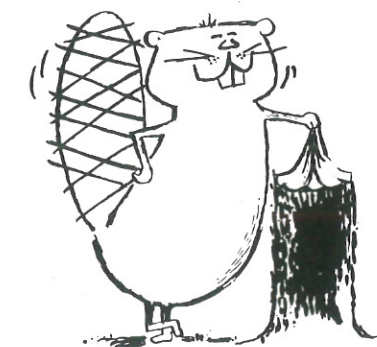

When we say that Candace Mudgett and Pat Brownd are "best all around," we don't mean that they need to go on a diet - just that they were elected Most Versatile.

Not only are these two spooks, Patricia McCurry and Donny Ford, favorites of each other --they are also favorites of the senior class.

Even though Candace Mudgett and Danny Allen get confused about which game they are playing, they must have some ability since they were selected Most Athletic.

Lynda Logan and Paul Gordon being typical Junior Beavers "wood" be elected class favorites.

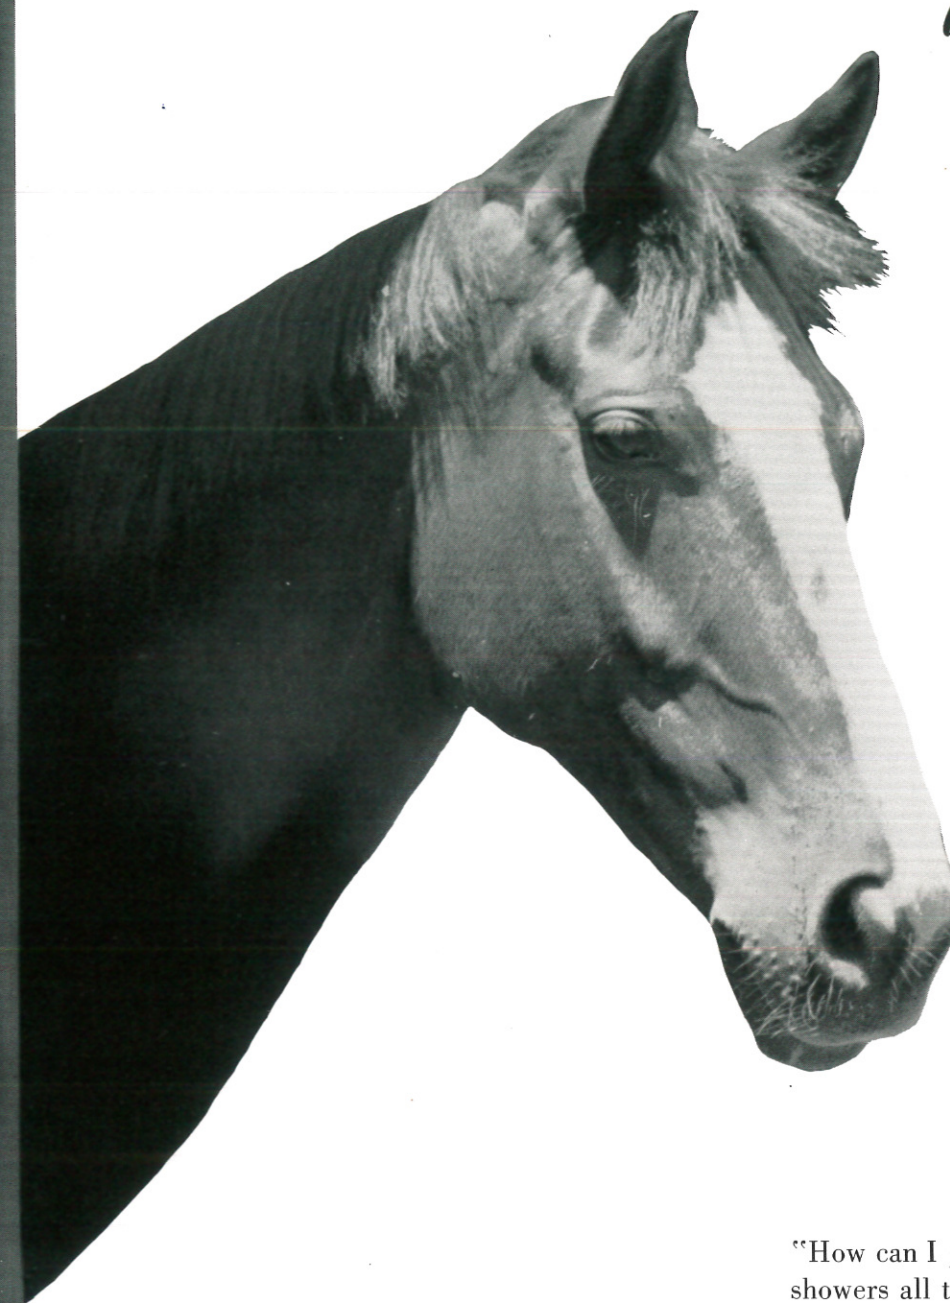

Even a rolling pin held over his head won't make Ricky a good cook, but something really helped Ricky Humphreys and Paula Chisholm in the race for sophomore class favorites.

It has been said that black cats are bad luck, but it brought Sheila Baker and Larry Morgan luck in the race for freshman class favorites.

Athletics

"How can I get my letter, staying in the showers all the time?"

Hornet Spirit . . .

Across the gridiron, the court, the track,
It welds players and Hornet fans into a force
That takes its stand at the goal line.
It is the tenacity that fights against odds,
The humility that crowns a victory.
It gives heart to the cheerleaders
To urge the team on.
It lingers after the last play,
A part of past and future.

PERSONALITIES

Most Progressive Student

It takes humility and much courage for one to admit his mistakes. Such a person is Larry Kinnie, who withdrew from school just prior to mid-term examinations in 1961. Larry realized his mistake and his need for a high school education, so in September of this school year he enrolled again as a freshman. His grades this year bear no resemblance to his previous grades. Most people awaken, but sometimes it is too late. The teachers and student body congratulate Larry on his awakening and his work in school this year.
