Volume 4

Sudan Hornets District Champions!!

The Sudan Hornets earned the title District Champions when they defeated their last two opponents, Nazareth and Hart. Their toughest game became a heart stopper when they defeated Nazareth, 21-18. Time ran out for the Swifts when they were charged with a penalty that placed them from their 4 inch line to the 6 yard line with only 9 seconds to spare. The Swifts' quarterback could not snap the ball in time, and the clock was the Hornets' friend that night.

The crowd went wild, players cried, and parents celebrated with their sons on the field to mark the seniors last home game.

The mighty Hornet defense was the deciding factor in this game. The Swifts' quarterback was virtually shut down with Garrett Scisson's blocks, the relentless defensive line, and the secondary going step by step with the wide receivers.

The Hornets' finished their district season with a shut out win over Hart, 42-0. It was a balanced game with RJ Hernandez running impressively and Kade Gaston's aerial assault to all of his receivers.

The Hornets' have a bye this week.

Principal's Corner

Play-off excitement is in the air! I would like to congratulate the Hornet Football Team and coaches on winning the District 4-A championship and qualifying for the play-offs. The Hornets will play the winner between Sunray and Wellington and the game is tentatively set for Friday, November 19, at Canyon. While the football team continues to play, basketball season begins for the high school girls and junior high boys and girls. The high school boys will not begin basketball until their football season is over, hopefully, sometime in December. Our junior high students will be participating in the district UIL Academic meet on November 11. I would like to wish the junior high students the best of luck and encourage them to defend their district championship in UIL Academics. Our Seniors are very busy ordering graduation materials, meeting with college representatives, preparing for college entrance exams, and taking care of their regular activities. I also need to remind you that we will be having school picture retakes on Friday, November 19. Let me stress again and encourage all of you to get involved in your child's education. Encourage them and help them to complete their homework, to attend school regularly, and to work to the best of their abilities. If I can be of any help to you, please call me or come by and see me. Enjoy the BUZZ!

UPCOMING EVENTS

- November 12/13 Varsity Girls BB Tournament @ Frenship
All Region Choir

Organizational News

Student Council Powder Puff Game & Flick on the Field A Success

On October 30, the Student Council sponsored a Powder Puff Football Game on our Sudan Hornet Field. The teams were the Senior/Freshmen team versus the Junior/Sophomore team. Haleigh Richards scored the first touchdown for the Jr/Soph team with a beautiful pass from Chelsey Cline. However, the Sr/Fr team battled back with a touchdown by Taylor Glidewell and thrown by Kady Gaston. The game ended in a tie, so each team member was allowed to attempt one field goal. The only made field goal was by Freshman Jordyn Nelson, securing the Sr/Fr victory. It was a tough game, and both teams put up a good fight.

After the game, all Sudan High students were invited to stay and watch "Van Helsing". The concession stand was open, and students snuggled under blankets to enjoy the movie under the stars. Mrs. Kleman reported, "All of the students enjoyed the game and the movie. We hope we can do this again next year."

FFA Members to Compete in Leadership Development Events

November is the month the FFA members compete in the Leadership Development Events. This year Sudan FFA will have teams in Sr. Skill, Farm Radio, and Jr. Creed Speaking Events.

District Contest will be held Monday, November 15, at Wayland Baptist University in Plainview.

All first & second place teams will advance to the Area I Contest on Saturday, November 20, at Canyon.

FCA Attends FCA Day at Texas Tech

On November 6, the Sudan FCA took a trip to the Texas Tech vs. Baylor game. The day started with a lunch and FCA rally. There were testimonials from Texas Tech athletes and other special guests. Next, the group listened to music and had a sing-a-long.

The FCA group attended the Tech game and watched the Raiders beat Baylor. They ended the day eating at Wendy's or Taco Bell. Kady Gaston said, "It was a fun, Christian experience that we will all remember."

FCCLA Exercising EXTREME Leadership

This year's officers are: Priscilla Limon, President; Carmen Mojica, VP of Records; Devorah King, VP of Programs; Marissa Davis, VP of Projects; Tiffany King, VP of Public Relations; Chelsey Cline, VP of Finance, Volunteer Services, and STAR Events; Keena DeVaughn, VP of Correspondence; Jon Williams, VP of Career Emphasis; Jessica Conley, VP of Parliamentary Law; and Quinci Ham, VP of Recreation.

Feature Teacher

Scott Harrell

Scott Harrell is the feature teacher for the week. Coach Harrell graduated from Jayton High School in 1995. He went to South Plains College for two years and then completed his bachelor's degree in kinesiology and a minor in history at West Texas A&M University in Canyon. He is currently working on his master's in education administration at Eastern New Mexico University.

Coach Harrell says that he loves spending time with his wife, Kayela, and their house dog, Gidget. He loves to play golf and watch movies when he has a moment to spare.

Coach Harrell believes that the funniest moment that has happened as a teacher was when he and Coach Bryant pulled a certain prank on Coach Maxfield.

Asked what was the most rewarding thing about being a teacher, Coach Harrell stated, "I love it when the "light bulb comes on" in student's heads when they understand a concept.

Coach Harrell believes that if he were not a high school teacher he would be involved in some area of business.

Students in Mrs. Whitley's classes are exhibiting eXtreme leadership which is the theme for the classroom in 2004-05. They have applied for service-learning grants in order to conduct community service projects to help clean up and beautify Sudan and to develop activities for Sudan youth outside of school activities.

Students attended the October Sudan Economic Development Committee meeting in order to learn the purpose of the committee and to learn how their project ideas might coordinate with efforts already being made by the committee. Students also visited the October Sudan City Council meeting and observed city business in action. Student ideas for community service projects were presented to the council, and the students were commended for their interest in the community and willingness not only to help city officials but to lead in much needed efforts.

FCCLA is also sponsoring a Thanksgiving Food Drive. VP of Projects, Marissa Davis, is responsible for that project. Food Drive boxes will be placed in the elementary classrooms November 12-18, and students are asked to contribute canned food and staple items which will be distributed to families who could use them on Monday, November 22. Anyone wishing to make a suggestion for families to receive a box of food should contact Mrs. Whitley, FCCLA Advisor, 227-2431.

Bush Wins Election!

*Elementary & Junior High Students
Vote in Their Own Election
Bush 166 Kerry 31*

by Kathrine Gutierrez

The seventh grade students decided to host the '04 mock election. We spent a lot of time preparing for the election, which took place on November 1. Mrs. Warren figured that the younger students wouldn't know anything about this year's election, so we made booklets full of information on the candidates and voting. We used the booklets to make a game, so we could make learning about the election fun for other students. The game was a big help teaching the younger students about the election.

Since we were given permission to decorate the schools we handed out locker tags and stickers with the candidates's names. Some of the seventh grade students hung up patriotic streamers and posters. The posters were a reminder that every vote counts so when we are older we can make a difference in our country's government.

On the day of our mock election students were eager to vote for the candidate they thought was the best leader for our country. We showed the other students how they were going to vote and gave them their ballots. The ballots were put into boxes made by the first grade students. Bush won the election with 166
