## Cafeteria Charge Policy

Sudan ISD has adopted this policy to govern situations when student lunch accounts have insufficient funds. Beginning August 19th, 2019, meal charges will have a maximum limit of \$25.00.

Once a student reaches this limit, an alternative meal (i.e. cheese sandwich, vegetable, fruit and milk for lunch) will be provided for the student until the student's charges have been paid. Frequent communication will be made with the student/parents if their student has charges that need to be cleared up. Students with outstanding charges at the end of the school year may not be issued final report cards and/or a class schedule for the next school year until charges have been paid.

Parents may prepay cafeteria accounts at [myschoolbucks.com](http://myschoolbucks.com) and registering for an account using their student's school ID. Payments can also be made in person in the admin office with Cindy Legg or at the point of sale in the cafeteria.

**Free and Reduces Meal Applications must be filled out every year. They do not carry over.** These applications are available from each school office. Assistance is available if needed in completing the application. If a student has a cafeteria balance prior to qualifying for free and/or reduced lunches longer than a period of one week, those charges are still owed to the district.
