

Graduation festivities plan for May 22nd:

As the diploma issuance ceremony will begin promptly at 7pm on May 22 on the HS parking lot, graduates and spectators should arrive between 6:30 and 6:50. The parking lot will be closed before that time and no one will be allowed entrance. Staff will be present to serve as parking attendants. Available spectator parking will be granted on a first come first serve basis as assigned by the staff on the parking lot. The approach traffic line should go around the tennis courts and continue back around the Elementary school then past the football field and on toward the bus barn, if needed. Please do not park near the tennis courts as this will be a congested area; however, spectators may park along the fence of the practice field on Hornet Drive. Everyone must stay in their vehicle.

Graduates will be directed into a line leading down a path toward the stage which will be located on the south side of the parking lot against the practice field fence. Each graduate will drive up in front of the stage. As each graduate reaches the stage, they will exit a vehicle, come up the steps to receive their diploma, then exit the stage and return to their vehicle. Graduates will then exit the parking lot turning right onto Hornet Drive.

The first two cars in the graduates' line will be the Salutatorian and the Valedictorian. These students will each give their speech, retrieve their diploma, and then return to their car. Students will be issued (keepsake) facemasks by a staff member as they enter the parking lot. Please wear your facemask as you come across the stage.

The entire ceremony will be available through the FM transmit, which is 91.3, and on Facebook Live. We anticipate the ceremony to be approximately 30 minutes in length. The traditional, formal graduation ceremony filmed in the SISD Auditorium will be released directly after the outdoor celebration at 8:00 P.M.

Congratulations graduates, the big day is almost here.
