ADJUDICATOR INFORMATION

JOY MORTON

Much of my early theater background occurred while I was hanging by my britches and/or learning on the fly. I directed 38 one act plays and numerous musicals at Friona High School. I have worked with the Friona Fine Arts Council Summer Drama Program for 50 years. Two of my shows qualified for the State Meet: '75 and '99, and numerous others advanced beyond district and area. My judging experience includes District, Bi-District, Area, and Region. Theater is a slice of life; take me there. I have been an adjunct communication instructor for Wayland Baptist University and Amarillo College.
