THE BUZZER

Yvonne, Bobby, Billy Joyce, and
 Buzzy sure seemed to like the
 scenery of the football stadium Sat.
 night about 12:30. And I hear tell
 the girls at Amhearst worried about
 Bobby's date last Sat.....Why was
 Waymon so disgusted Sunday after-
 noon outside the Church. Could it
 be that you were waitin "at the
 Church" for Pill and she was wait-
 ing late....It seems that Jr. Edi-
 tor is beaming all over school now
 days. First it was J.W. Jones last
 Thurs. then Robert on Monday, and
 I hear that seh just loves to get
 articles from Bob Salem....Say, Pope
 you keep me plenty busy now, too.
 First you tell Peggy's big sis that
 if Peg won't go with you, she will
 have tp. Well, I see Peggy finally
 gave in again. It seems the best
 hold was Jean Shirley on Monday in
 the S.H. and up and down the halls
 Oh yes, I nearly forgot about
 Fannie--I hear it was sometime last
 week; but can't find out just
 what night you went with her.....
 Pickett, we noticed a certain gleam
 in your eye when Pinky was dated
 with Christine on that Sub*Deb party.
 To say nothing of that gleam from
 Joy's and Davy's eye. Say you know
 what--I think they make a cute

couple, don't you?...That Maurine
 Olds, again; she was really tel-
 ling Bill Tucker something in the
 show Sat. Nite and it must have
 been interesting the way Bill was
 listening....My my, how things do
 get around. Now I see in my notes
 where Edna and Sap were driving
 around after the Sub-deb party.
 Leland I'm sorry you had to wait
 in the drug store so long for
 your car. That makes Fannie, Edna,
 and Pickett in the car--if only I
 knew who the other boy was. (or
 was there another?)....Irene, I've
 held it long as I can, so I see
 You are stepping out now days.
 Folks have your car re-fueled at
 the Mission Service Station. Also
 I'd like to mention that Alta
 gets her car serviced there also
 now days--Oh I almost forgot to
 say that they have some boyfriends
 working there.....Bobby Jim doesn't
 look exactly happy this week (you
 know Leota is gone) But neither
 does Bill Nix....You know what, I
 heard I told stories--well maybe
 some small ones somtimes; but aren't
 they good ones? Bet you couldn't
 tell as good ones. Remember, it's
 the truth that hurts.....Waymon's
 pickup is beginning to look natural
 up at the Markham home these days.
 Well, well it looks like another
 steady has been added to the list.
 Annand T.C. finally made it, I see.
 I think they make a nice couple
 don't you? But by the way, what
 will happen about the prediction
 about Lyndol and Ann....I haven't
 heard anyhing good on Leland
 and Zanelle lately--wonder what has
 happened. Will someone please drop
 me a note in locker 20. And what
 was Leland doing up at Jonelle's
 house Saturday? And by the way,
 thanks for filling it this week,
 Remember only a few weeks left
 for me to write this and some
 people will be surprised at who
 I am...THE BUZZER

 Mr. Moring asks the cooperation
 of all students in not setting
 off firecrackers during school
 hours.

School Days

Chirping little birds in trees
 Whistle tuneful pleasantries;
 But such joy is not for me--
 I must grind to get my C.
 Duty calls of various sorts,
 Midterms and long term reports;
 I should seek a mood reportive,
 So I'll leave this poem abortive.

-----Selected..

The volley-ball girls have chosen teams and are having a contest. Yvonne and Mary are captains of the teams; and so far, Yvonne's team has won 17 games and Mary's has won 14. The contest is scheduled to end this week, and the losing team will entertain the winners with a party.

The team reports that although they haven't had much of a volley-ball season, they have enjoyed playing and hope to get to play some more games before they quit for the year. The girls are looking forward to a letter and more prosperous year next term.

SEVENTH AND EIGHTH GRADES HAVE PARTY TUESDAY NIGHT

Room mothers of the seventh and eighth grades of Junior High were hostesses at a game party Tuesday night in the home of Miss Burma LyBrand, eighth grade sponsor.

Relay games were played under the directions of Fredda Patterson, Margie Messamore, and Wannell Parkman.

A talent show was given with class members contributing vocal solos, duets, and piano numbers. A general sing-song was held.

"He's A Jolly Good Fellow" was dedicated to Coach Smith, Junior High favorite and seventh grade sponsor. Coach's response was "Thanks" accompanied by both a push and a grin.

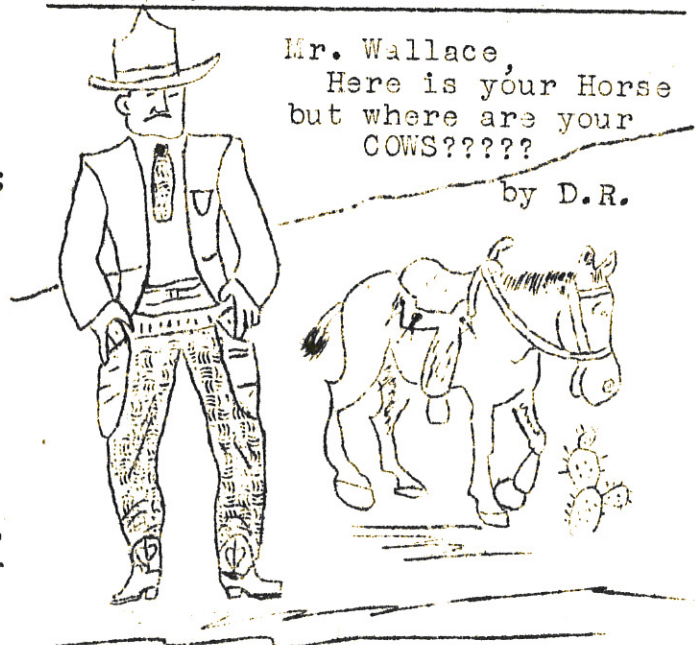

Miss Patsy Roark of Wellington was a special guest. Little Bobby Smith arrived in his "Pontiac" and made the evening complete as he chaperoned Coach.

Mrs. Clif Williams, Mrs. Milton Wiseman, Mrs. Bud Whitmire, Mrs. Melvin McCuyer, and Mrs. Ves Patterson served refreshments of hot chocolate and doughnuts.

"Iceland," said the teacher, "is about as big as Siam."

"Iceland," wrote Willie afterwards "is about as big as teacher."

Remember: It's nice to have that certain something, but it's far more important to have something certain.

GIRLS BOW TO WHITHARRAL GIRLS

The Sudan girls were taken for a loss by the Whitharral team last Thursday night at Whitharral by a 23-13 score. This is the first game the girls have lost this year.

They were leading at the end of the third quarter, and in the last quarter the Whitharral team pulled a head by a four point lead.

The "B" string lost their game, also. Mr. Moring stated that the girls lost several shots by a new rule that they are using for the first time this year.

One today is worth two tomorrows.

Approve not him who commends all you say.

A learned blockhead is a greater blockhead than an ignorant one.

The rotten apple spoils his companion.
