We promote our Harvest of the Month Program to expose students to fresh, healthy foods and to have the experience of trying new items they may not normally try at home. Educational flyers are hung in the café with fun facts aimed to garner interest and attention to the food we are featuring.

The newsletter is posted in the dining room and on the foodservice website, it provides tips for a healthy lifestyle and features interesting facts and a recipe for you to try at home for the featured fruit, vegetable, spice or herb.
