

If all my friends were to jump off a bridge, I wouldn't jump with them; I'd be at the bottom to catch them. Everyone hears what you say. Friends listen to what you say. Best friends listen to what you don't say. We all take different paths in life, but no matter where we go, we take a little of each other everywhere. "The Best kind of Friend is someone who you can sit on a front porch swing, saying absolutely nothing, and walk away feeling like that was the Best conversation you've ever had."
